# The Art Bulletin

*An illustrated quarterly published by the*
COLLEGE ART ASSOCIATION OF AMERICA

With the present number the College Art Association begins the quarterly publication of its bulletin. For several annual meetings the establishment of a quarterly magazine has been recommended by the Committee on Publications and this action has been especially urged by ex-President Pickard and President Robinson. In accordance with the recommendation set forth by Professor Pickard in his last presidential address a resolution authorizing the immediate inauguration of this quarterly was adopted. College Art Association material may be sent to the President or Secretary. Contributions of scholarly interest and books for review are particularly invited.

The four annual bulletins already published by the Association are to be taken as constituting Vol. I. Henceforward an annual volume of four numbers will be issued. This number, dating September, 1919, is therefore given the serial numbering Vol. II, No. 1.

Members of the College Art Association receive the Art Bulletin.

Sustaining membership is open to all; the annual fee is ten dollars.

Associate membership, or subscription to the Art Bulletin, is open to all; the annual fee is three dollars.

Active membership is open to those engaged in art education; the annual fee is three dollars.

Of previous bulletins Nos. 2, 3, and 4 are still available; the price of the series is five dollars.

Address all communications to
